Questions					
How confident are you in transferring patients from a wheelchair to a bed?	No confidence 0	Little confidence 1	Some confidence 2	Confidence 3	High confidence 4
How confident are you in transferring patients from a bed to a wheelchair?	No confidence 0	Little confidence 1	Some confidence 2	Confidence 3	High confidence 4
How confident are you in instructing a sliding board transfer?	No confidence 0	Little confidence 1	Some confidence 2	Confidence 3	High confidence 4
How confident are you with proper handling techniques for a bariatric patient?	No confidence 0	Little confidence 1	Some confidence 2	Confidence 3	High confidence 4
How confident are you in transferring a patient using a gait belt?	No confidence 0	Little confidence 1	Some confidence 2	Confidence 3	High confidence 4
How confident are you in choosing between a sit-to-stand transfer versus a stand-pivot transfer?	No confidence 0	Little confidence 1	Some confidence 2	Confidence 3	High confidence 4
How confident are you with stair training?	No confidence 0	Little confidence 1	Some confidence 2	Confidence 3	High confidence 4
How confident are you in handling a hoist lift?	No confidence 0	Little confidence 1	Some confidence 2	Confidence 3	High confidence 4
How confident are you in preventing back injuries during pivot transfers?	No confidence 0	Little confidence 1	Some confidence 2	Confidence 3	High confidence 4
How confident are you with proper handling techniques for a patient that appears to be falling while using an assistive device such as a rollator or single-point cane?	No confidence 0	Little confidence 1	Some confidence 2	Confidence 3	High confidence 4
How confident are you with proper handling techniques for a patient that appears to be falling during a stand-pivot transfer?	No confidence 0	Little confidence 1	Some confidence 2	Confidence 3	High confidence 4

How confident are you with proper handling techniques for a patient that appears to be falling during a sit-to-stand transfer?	No confidence 0	Little confidence 1	Some confidence 2	Confidence 3	High confidence 4
How confident are you in rearranging the environment to safely transfer a patient from a bed to a wheelchair?	No confidence 0	Little confidence 1	Some confidence 2	Confidence 3	High confidence 4
How confident are you in transferring a heavily intubated patient?	No confidence 0	Little confidence 1	Some confidence 2	Confidence 3	High confidence 4
How confident are you in handling body fluids?	No confidence 0	Little confidence 1	Some confidence 2	Confidence 3	High confidence 4
Total Score	/60
